**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

Judy Beaumont,

Plaintiff,

v.

US Department of Homeland Security,
et al.,

Defendants.

Case No. 2:18-cv-00393-APG-CWH

**Stipulation for Early Settlement
Conference**

The parties, through their counsel of record, hereby stipulate to an early settlement conference.

The parties previously obtained a 60-day stay to engage in settlement discussions, which expired on February 11, 2019. Unfortunately, the parties were unable to resolve the matter during the stay because Government counsel was unable to work on the case due to a 35-day lapse in appropriations to the Department of Justice. *See* ECF No. 30. Since funding was restored, the parties have conferred and continue to believe that their time and resources are best expended in continuing settlement discussions that could not occur during the lapse in appropriations. Between the time of filing this stipulation and the anticipated early settlement conference, the parties request that the stay remain in place so that the parties can continue efforts to resolve this matter or to refine issues that may need to be addressed during a settlement conference. To facilitate scheduling of a settlement

1 conference, the parties request a telephonic status conference to identify dates that will
2 work for both the Court and the parties to hold a settlement conference.

3 **WHEREFORE**, the parties respectfully request that this stipulation be granted and
4 the Court schedule an early settlement conference on a date identified during a Telephonic
5 Status Conference scheduled at the Court's convenience.

6 Respectfully submitted this 20th day of February 2019.
